The Joint Registrar of Co-operative Societies of the respective Divisions are authorised to countersign the payes receipts in this behalf.

This Order issues with the concurrence of the Planning Department and Finance Department vide their U. O. Note No. PD/433/POP/81, dated 23-9-1981 and FD 101 EXP II 82, dated 10-2-1982 respectively.

By Order and in the name of the Governor of Karnataka,

K. V. VITTAL RAO,  
Officer on Special Duty,  
Rural Dev. and Co-opn. Department.

**Annexure to G. O. No. RDC 25 CEP 81, dated 6-3-82**

**Terms and Conditions**

1. The society/societies shall adopt the model byelaws prescribed by the Registrar of Co-operative Societies.

2. The loan shall be repayable in 14 years with a moratorium of 2 years on the repayment of principal only. The repayment of loan shall be made in 12 annual instalments of principal commencing from the third anniversary of the date of drawal from the treasury of the first instalment loan. There shall be no moratorium in respect of the payment of interest on the loan which shall commence from the first anniversary of the date of drawal of the loan from the Treasury.

3. The loan shall carry interest at  $\frac{1}{2}$  per cent per annum from the date of drawal of the amount from the Treasury with a rebate of  $\frac{1}{2}$  a per cent for timely completion of the Godown :

4. In case of default of instalment of loan and/or interest the society/societies shall be liable to pay penal interest at the rate of  $12\frac{1}{4}$  per cent per annum.

5. The society/societies should construct the godown of the capacity mentioned against its/their names and at the place and site on which it is declared as owning the site and should not change the place and site without the approval of the Registrar. The godown should be constructed according to the plan and estimate approved and in the manner procedure prescribed by the Registrar or any other Officer authorised by him in this behalf. Any escalation in costs or additional costs beyond the sanctioned amount should be met by the society out of its own resources.

6. The society/societies shall mortgage in favour of the State Government; the lands, the godowns and other assets created and/or purchased out of funds availed of from Government for the purpose.

7. The total sanctioned amount will be Rs. 1,30,000 for 400 M.T. capacity godown, (Loan at 60% Rs. 78,000 subsidy at 40% Rs. 52,000) and Rs. 70,000 for 200 M.T. capacity godown (Loan @ 60% Rs. 42,000 Subsidy @ 40% Rs. 28,000) to each godown will be released in two equal instalments as follows :—

- i. I Instalment of loan and subsidy at the first instance
- ii. II Instalment of loan and subsidy after the construction of the godown reaches plinth level

8. The construction of the godown should be started within 3 months from the date of receipt of this 1st instalment of assistance

and completed in all respects by 30th November 1982. The Executive Engineer (Controlling Cell) of the Registrar of Co-operative Societies will prescribe suitable time scheduled (for each stage of construction) for completion of the godown within the prescribed period and also ensure their adherence by the society. The Executive Engineer will also ensure that the requisite building materials etc., are made available to the society concerned in time, if necessary by making centralised arrangements through the State Co-operative Marketing Federation or any other agency for procurement of such building materials etc., and for technical supervision etc., of all the godowns. He should also ensure that the godown to be constructed are properly designed and constructed in accordance with the standard specifications and approved standard for scientific storage and that the capacity is not reduced. In the event Central arrangements that are made by the Executive Engineer to construct the godowns, the financial assistance sanctioned for the godown and the extra escalation in cost or additional cost required should be placed at the disposal of the Executive Engineer.

9. The amount should be utilised solely for the purpose for which it has been sanctioned.

10. The loan and subsidy shall be deposited with the District Central Co-operative Bank concerned and the amount shall be drawn with the approval of the Assistant Registrar of Co-operative Societies of the Sub-divisions Concerned as and when required.

11. The society/societies shall execute the necessary agreement bond (6) in the form prescribed by the Registrar before disbursement of Amount.

12. The society/societies shall carry not less than 10% of the net profits to the building fund for redemption of the loan till the loan is fully repaid

13. After completion of the construction of the godown(s) the society/societies shall produce a certificate/certificates from the Public Works Department Engineer or any qualified Engineer recognised by the Registrar of Co-operative Societies in Karnataka Bangalore. The certificate(S) should specify that the godown (S) has/have been constructed in accordance with the plans and estimates approved by the Registrar or any other officer authorised by the Registrar and that the expenditure incurred for construction of the godown (S) is as per the approved estimates.

14. The unspent balance, if any, of the amount sanctioned for the construction of godown (s) should be refunded.

15. The godowns should be utilised mainly for the purpose of business of the society (including higher level societies) only and should not be hired or sold/transferred to any party without the prior approval of the Registrar and the N.C.D.C.

16. In the event of the failure on the part of the society/societies, to comply with any of or all the conditions prescribed, the Registrar of Co-operative Societies in Karnataka, Bangalore shall have the right to fore-close the assistance concerned and order recovery of the amount of loan and subsidy with interest thereon.

17. The date(s) of drawal of the loan from the Treasury will be treated as the date of drawal of the loan by the society/societies. Likewise the date(s) remittance (s) into the Government Treasury/Treasuries will be treated as the date of payment of loan and/or payment of interest.

18. Non-receipt of the demand notice from the concerned will not be accepted as a reason for non-payment of the loan instalment or non-payment of interest by the due date or for waiver of higher rates of interest for belated payment.

19. All repayments and payments to Government should be made through cash remittances into Government Treasury under the appropriate Head of Account.

20. For facilitating calculating of interest on the outstanding principal from time to time, yearly instalment of the loan will be rounded off to the nearest hundred of rupees and balance fractional sum, if any of the loan shall be recovered along with the last instalments.

21. The Society/Societies shall suitably amend its/their bye-laws if any and wherever necessary for enabling is them to satisfy if any of or all the conditions stipulated under this order.

22. The N. C. D. C. shall have the right to depute its officers/nominees to inspect the accounts and working of the society and the construction/utilisation of the godown and the Departmental Officers of the Department of Co-operation and Society shall afford all facilities for the purpose when required.

23. The N.C.D.C. has the right to recall the assistance sanctioned at any time if in the opinion of the Corporation any of the conditions prescribed are not complied with.

24. The Society should furnish, in addition to the concerned departmental officers to the N.C.D.C. monthly progress reports of the construction in the form prescribed by the N. C. D.C. and such other

information/data as may be required by the N.C.D.C. from time to time.

25. Any other condition or conditions that may be prescribed by Government and/or the Registrar of Co-operative Societies in this regard from time to time.

26. Government reserves the right of modifying or changing the conditions specified above, at any time before the close of the loan account without any notice whatsoever to the Society.
